

Jennifer M. Jabson Tree, PhD, MPH

Associate Professor
Department of Public Health
University of Tennessee

Business Address: 1914 Andy Holt Ave 367 HPER, Knoxville, TN 37996
Phone: 865-974-0796
Cell: 541-513-5113
Email: jjabson@utk.edu

Education

- 2010 **Doctorate of Philosophy**, Public Health, Oregon State University
Track: Health Behavior/Health Promotion
Emphasis: Women's Health and Chronic Disease
- 2006 **Masters in Public Health**, Health Promotion, Oregon State University
Emphasis: Chronic Disease and Women's Health
- 2000 **Bachelor of Science**, Psychology, University of Oregon
Graduated with Honors
- 1998 **Associate of Arts**, General, Central Oregon Community College
Graduated with Honors

Post Graduate Training

June 17-28, 2019. Attendee. **Oregon State University, NSF ADVANCE Institutional Transformation, Train-the-Trainer, Equity, Inclusion, and Justice, Across Levels of Higher Education, Corvallis, OR.**

February 24-March 01, 2019, Attendee. University of Tennessee Leadership Institute. **University of Tennessee State System. Murfreesborough, TN.**

July 09-July 20, 2017, Fellow. OBSSR Randomized Clinical Trials Summer Institute. **NIH/Office of Behavioral and Social Sciences Research, Airlie, VA.**

June 26-28, 2015, Attendee. Spit Camp II: "Latent growth modeling with Integration of Mediation and Moderation Analyses Laboratory and Developmental Data and Hierarchical Linear Modeling with Biological Data". **Institute for Interdisciplinary Salivary Bioscience Research, Arizona State University, Tempe, AZ.**

January 21-22, 2015. Attendee. Spit Camp I. **Institute for Interdisciplinary Salivary Bioscience Research, Arizona State University, Tempe, AZ.**

July 2010- July 2013. Post-Doctoral Fellowship, **Boston University School of Public Health—Department of Community Health Sciences**, Boston Ma. Mentor: Deborah Bowen.

July 2009-September 2010. Mentee, **Center for Population Research in LGBT Health Pre-Doctoral Mentee**, The Fenway Institute, Boston, Ma. Mentor: Deborah Bowen.

July 26-August 20, 2010. Fellow, **Summer Institute in LGBT Population Health**, The Fenway Institute & Boston University School of Public Health, Boston, MA. Mentor: Deborah Bowen.

Funded Research Proposals

*denotes student led research

1. National Institute on Aging (R03). Jabson (Co-I) 02/2019-02/2021
 Family Quality of Life Among LGBT Caregivers of Persons with Dementia. Role: Co-Investigator.
 Status: Funded

 This project seeks to describe the of quality of life and health of LGBT identified caregivers for persons with dementia.
 \$150,000
2. NIH National Institute on Minority Health & Health Disparities. Loan Repayment Program (LRP).
 Testing an adapted, online, mindfulness-based stress reduction program for Appalachian sexual minority women. Role: Principle Investigator. Status: Funded
3. UTK Community Engagement Award Jabson (PI) 03/2017 – 06/2018
 Needs Assessment and Feasibility Testing of an Online Mindfulness-Based Stress Reduction Program for Gay and Bisexual Men in Knoxville

 In joint partnership with All Out Knoxville, the goal of this project is to conduct a mixed-methods, preliminary needs assessment and feasibility test of an online mindfulness-based stress reduction (OMBSR) program for sexual minority men in Appalachia.
 \$1920
4. UTK Student/Faculty Research Award *Letheren (PI) & Jabson (Co-I) 02/17/17-07/01/2018
 Treatment Adherence among Colorectal Cancer Survivors in Appalachia

 The goal of this student led study is to explore and explain patterns in colorectal cancer survivors adherence to recommended treatment.
 \$3500
5. UTK DPH Student/Faculty Research Award *Russomanno (PI) & Jabson (Co-I) 02/17/17 – 06/01/2018
 Food Security and Gender Minority Individuals in the Southeast United States:
 A Qualitative Study

 The goal of this student led study is to understand the experience of food insecurity among gender minority people residing in the Southeast United States.
 \$3500
6. University of Rochester. Jabson (Co-I) & Patterson (Co-I) 05/31/2016-08/01/2017
 Healthcare providers' knowledge and attitudes about sexual and gender minority patients, health care needs, and culturally competent care in rural healthcare settings.

 The goal of this student led study was to examine the attitudes, knowledge and cultural competence of healthcare providers serving LGBT patients in rural East Tennessee.
 \$7500.
7. Gay and Lesbian Medical Association, Lesbian Health Fund. Jabson (PI) 06/01/2016-03/01/2018
 Online Mindfulness Based Stress Reduction Program for Rural Lesbians: A pilot study.

 The goal of this study is to test the feasibility of an online mindfulness based stress reduction program for lesbians residing in rural East Tennessee.
 \$9713
8. University of Tennessee 2016 Community Engagement Incentive Grants McNeely (Co-I), Hutson (Co-I), Sturdevant (Co-I), Jabson (Co-I)

The goal of this project is to conduct a rigorous evaluation of an innovative public health program to offer women in county jails, most of whom are there on drug-related charges and are at high risk of having a baby with NAS, access to voluntary reversible long-acting contraceptives (VRLACs).
\$2000

9. Professional Development Award from the University of Tennessee Jabson (PI) 01/09/2015-06/01/2016
Sexual Minority Women Couples' Perception About Body Weight and Stress: A Dyadic and Qualitative Approach for Understanding Overweight/Obesity Disparities Among Sexual Minority Women: A Pilot Study.

The goal of this study was to investigate sexual minority couples' attitudes and beliefs about overweight/obesity as a health threat and their biological markers of stress.
\$2800

10. American Cancer Society. PFT-10-111-010CPPB Jabson (PI) 07/01/2010-07/01/2013
Sexual Minority Women's Health: Identifying protective factors and the role of social support.

The goal of this study was to investigate and compare psychosocial factors among sexual minority and heterosexual women.
\$150,000

Research Proposals

1. **National Institute of Minority Health and Health Disparities (R21).** A preliminary efficacy trial of mindfulness based stress reduction for Transgender and Gender Diverse People in Tennessee. Role: Principle Investigator. Status: Not Funded. (Grant# 1R21MD014818-01).
2. **NIH National Institute on Minority Health & Health Disparities. Loan Repayment Program (LRP) (renewal).** "Testing feasibility and efficacy of online mindfulness based stress reduction for LGBTQ+ people in Tennessee". Role: Principle Investigator. Status: Under Review.
3. **National Institute of Minority Health and Health Disparities (R21).** A preliminary efficacy trial of mindfulness based stress reduction in Appalachia. Role: Principle Investigator. Status: Not Funded. (Grant# 1R21MD013527-01)
4. **National Institute of Minority Health and Health Disparities (R21).** A preliminary efficacy trial of mindfulness based stress reduction in Appalachia. Role: Principle Investigator. Status: Not Funded. (Grant# 1R21MD013527-01A1)
5. **National Institute of Minority Health and Health Disparities (R15).** Adapted Online Mindfulness-Based Stress Reduction Program for Women in Appalachia: A randomized, multiple-baseline preliminary efficacy trial. Role: Principle Investigator. Status: Not Funded (Grant# 1R15MD012381-01)
6. **National Cancer Institute (R21).** Survivorship Care Plans: Relationship to surveillance colonoscopy among colorectal cancer survivors in Appalachia. Role: Principle Investigator. (Grant#1R21CA205629-01A1) Status: Not funded.
7. **State of Tennessee Department of Public Health.** Evaluation of State Quitline. Role: Co-Investigator. Submitted December, 2015. Status: not funded.
8. **NIH Loan Repayment Program (LRP).** Survivorship Care Plans: Relationship to surveillance colonoscopy among colorectal cancer survivors in Appalachia Role: Principle Investigator. Submitted October 30, 2016. Status: Not Funded.
9. **National Cancer Institute (R21).** Survivorship Care Plans: Relationship to surveillance colonoscopy among colorectal cancer survivors in Appalachia. Role: Principle Investigator. Submitted June 16, 2015. Status: Under Review. (Grant#1 R21 CA205629-01) Status: Not Funded.
10. **NIH Loan Repayment Program (LRP).** Sexual minority women couples' perceptions about body weight and stress: a dyadic and qualitative approach for understanding overweight/obesity disparities among sexual minority women. Role: Principle Investigator. Status: Not Funded.

11. **Gay and Lesbian Medical Association, Lesbian Health Fund.** The role of relationship functioning and minority stress on BMI and weight-related attitudes and behaviors: A study of lesbian couples. Role: Principle Investigator. Submitted October 15, 2013. Status: Not funded.
12. **National Cancer Institute (R21).** Partner-level effects and minority stress: a dyadic approach for explaining overweight/obesity among sexual minority women couples. (Grant#:1R21CA194746-01). Role: Principle Investigator. Submitted June 16, 2014. Status: Not Funded.

Spring, 2010: Gender and Science (WS340)

Student Mentoring and Graduate Student Committees

MPH Student Primary Advising

2013/2014: 0

2014/2015: 12

2015/2016: 14

2016/2017: 9

2018/2019: 5

Master's Thesis Committee Membership

2014-2015

1. Heather Tidwell, Communication Studies

Thesis Title: *Relational partners of cancer survivors: Navigating and reflecting on the illness experience*

Role: Committee Member

Status: Completed April, 2015.

2. Jennifer Russomanno, Department of Public Health

Thesis Title: *Farmers Market Uptake of Food Assistance Programs in East Tennessee*

Role: Primary Advisor, Chair

Status: Completed April, 2016

3. Casey Enzler, (MPH) University of Washington School of Public Health, Health Services: Social & Behavioral Sciences concentration.

Thesis Title: *Low-Socioeconomic Status and Breast Cancer: Needs and Resource Gaps*

Role: Committee Member

Status: Completed June, 2016.

PhD Student Primary Advising

2013 - 2015: Lisa Acuff

2015 - 2019: Joanne Patterson

DrPH Student Primary Advising

2016 -2018: Amanda Letheren (changed advisors)

2016 -2019: Jennifer Russomanno

Completed PhD/DrPH Dissertations

1. Chenoa Allen, Department of Public Health

Dissertation Title: *Omnibus Policy and Immigrant Latino Youth Healthcare Access and Utilization*

Role: Committee Member

Status: Completed. August 2016

2. Hannah Shinault, Communication Studies

Dissertation Title: *Attitudes and Knowledge about Breast Cancer Screening among Appalachian Women*

Role: Committee Member

Status: Completed. May 2016.

3. Shirleen Chase, College of Nursing

Dissertation Title: *Melanoma Cancer Survivors and Health Care Needs*

Role: Committee Member

Status: Completed. August 2017

4. Jennifer Russomanno, Department of Public Health
Dissertation Title: Food Security among Transgender and Gender Non-Conforming People in the Southeast United States.
Role: Committee Chair
Status: Completed. May 2019
5. Joanne Patterson, Department of Public Health
Dissertation Title: Chronic Disease in Lesbian, Gay, and Bisexual Women and Men: Patterns, Prevalence, and Mechanisms.
Role: Committee Chair
Status: Completed. July 2019.

PhD/DrPH Dissertation Committee Membership

1. Nicholas Bishop, Department of Psychology
Dissertation Title: *Relationship Satisfaction of Men Who Have Sex with Men Residing in Latin America: Generalizing a Minority Stress Model*
Role: Committee Member
Status: In Progress
2. Corrine Tandy, Comparative and Experimental Medicine
Dissertation Title: Vaccine Attitudes, Behaviors and Vaccine-Preventable Diseases in Tennessee
Role: Committee Member
Status: In Progress
3. Katie Lenger, Department of Psychology
Dissertation Title: Is mindfulness only for the fortunate? The development and dissemination of a brief home-based mindfulness intervention to low-income couples
Role: Committee Member
Status: In Progress
4. Amanda Capannola, Child and Family Studies
Dissertation Title: Pathways to Parenthood among LGBT Couples in Low Resource Contexts
Role: Committee Member
Status: In progress
5. Aubrey Ray, Department of Public Health
Dissertation Title: An Evaluation of Sexual Violence Prevention Programs
Status: In progress
6. Amanda Casteel, Department of Public Health
Dissertation Title:
Mental Health Status among Individuals Serving in the Military Compared to the General Population: A population-based analysis.
Role: Committee Member
Status: Proposal Planning in Progress
7. Erica Peppers, Counseling Psychology
Dissertation Title: Exploring the influence of gendered racism on salivary alpha amylase activity among African American women.
Role: Committee Member
Status: In Progress

Mentored Student Research Awards

1. Russomanno, Jennifer (2015). Farmers Market Uptake of Food Assistance Programs in East Tennessee. Student Awards Committee of the Public Health Education and Health Promotion (PHEHP) section of the American Public Health Association (APHA). October 31-November 4, 2015, Chicago, IL.
